# WELCOME

*Sadie's*  
BISTRO

Welcome to Sadie's Bistro!  
We consider this our home and you, our guests.

Our team of chefs, baristas and mixologists prepare everything with generosity, care and love, and our waitrons take delight in serving you with the warmth and hospitality made famous by Sadie.

My grandmother, Sadie Ribeiro (*née Naddaf*) was proud to be born in Mzansi, and equally proud of her Lebanese heritage. Sadie was larger than life and loved to be surrounded by family and friends.

*Everyone* was welcome in her home.

People were always amazed by her delicious food!  
But there was something more, something special.  
They knew it was her way of expressing love for others.

**She inspired me to become a chef.**

*We are proud to honour her,  
and her devotion to food and people.*

~ SAGHTEYN! ~
